PREMIER AUDIT SUITE

ENVIRONMENT • GREEN • WATER • ENERGY

FuturEco Ventures LLP
(A part of Eco Paryavaran Group)

Certified, competent team delivering compliance, savings, and visible sustainability impact.

Why Choose Us

- 1. Certified & competent team:** Lead auditors, domain specialists, NABL-backed testing support.
- 2. Standards assured:** CPCB/SPCB compliance; ISO compliance; NAAC/UGC green audit guidelines.
- 3. Proven results:** Multi-sector track record and Govt. recognition for water-efficiency innovation
- 4. Actionable outcomes:** Clear CAPEX/OPEX plan with payback, responsibilities, and timelines.
- 5. Hand-holding:** Post-audit implementation support, training, and periodic reviews

What We Audit

- Green (Campus/Corporate):** Resource footprint, biodiversity & green cover, waste 3R, mobility/air, green office & governance—ideal for NAAC/ESG.
- Water:** Water balance, water budgeting, metering map, NRW/leakage, reuse & RWH integration; quality vs BIS/IS where applicable.
- Energy:** SEC baselines, load profiling, motors/VFDs, HVAC/lighting, boilers/thermic, compressors, power quality & PF optimization.

How We Work (Fast & Focused)

You Receive (Crisp, board-ready))

- Compliance & gap matrix with risk ranking
- Action Plan (CAPA) with owners & dates
- Savings dashboard (₹, kWh, m³, tCO₂e)
- Process/utility schematics & metering plan
- SOPs & monitoring calendar (ready to use)

Outcomes We Enable

- Regulatory confidence
- Lower utility bills
- Higher reliability & safety
- Better NAAC/ESG scores
- Reduced footprint
