PACKAGED SEWAGE TREATMENT PLANTS (STPS)

COMPACT | MODULAR | ECO-FRIENDLY | AUTOMATED

WHY CHOOSE US?

- **Expert Team:**
Dedicated environmental specialists
- **Customized Solutions:**
Tailored to industry-specific requirements
- **Quality Assurance:**
In-house manufacturing ensures top quality
- **Proven Track Record:**
Trusted by leading brands nationwide
- **Sustainable Approach:**
Environment-friendly technology

TRUSTED BY INDUSTRY LEADERS

and many more....

**ENGINEERED FOR PERFORMANCE,
BUILT FOR SUSTAINABILITY**

Ideal for Residential, Institutional & Industrial Use

📍 **Chandigarh & Mohali:** ECO BHAWAN, Plot No. E-204, 205 & 207, Industrial Area, Phase VIII-B, Sector-74, Mohali, Punjab-160071.

📍 **Gurugram & Delhi NCR:** 717, Floor 7, Tower 1, DLF Corporate Greens, Southern Peripheral Rd, Sector 74 A, Gurugram, Haryana 122004

WHY CHOOSE OUR PACKAGED STP?

- ☑ **Compact Yet Powerful:** Designed for space-saving installations, ideal for basements or constrained urban settings.
- ☑ **Modular & Scalable:** Units available in 5 KLD to 500 KLD. Easily scalable to meet growing demand.
- ☑ **Advanced Treatment Technologies:** We employ a combination of technologies like MBBR, SBR, and MBR based on discharge norms.
- ☑ **Automated Control System:** Low manpower requirement with automated PLC/SCADA integration.
- ☑ **Compliant & Reliable:** Meets stringent PCB norms

Applications :

RESIDENTIAL SOCIETIES

HOSPITALS

HOTELS & RESORTS

INDUSTRIES

SCHOOLS & COLLEGES

UF & RO SYSTEMS – ENSURING REUSE AND RECYCLING

Eco Paryavaran's UF (Ultrafiltration) and RO (Reverse Osmosis) systems are designed to deliver high-quality treated water suitable for non-potable applications

☑ **Ultrafiltration (UF) Highlights:**

- Removes suspended solids, viruses, and bacteria
- Ideal as a tertiary treatment after STP
- Energy-efficient & low fouling membranes

☑ **Reverse Osmosis (RO) Highlights:**

- Removes dissolved salts, TDS, and chemical contaminants
- Multi-stage system for enhanced recovery
- Enables water reuse in gardening, flushing, cooling towers etc.

Integrated ZLD solutions available for industrial clients
